

June 10, 2011

Congratulations, Bracken Investigators, on passing kindergarten! The 1<sup>st</sup> grade teachers are very excited to meet you next year, but want you to be ready for the race. There is assigned summer activities for you to complete, and can be found on the 1<sup>st</sup> grade website. You can find this website by using the Walter Bracken Magnet website or by going to **brackenfirstgrade.weebly.com**.

Below are the materials your teacher will be looking for on the first day of school. They can be printed right from the website. If you do not have a computer or internet, we recommend that you use your public library.

Writing Log

We are recommending that you do these 3 things this summer:

1. Read 20 books and record the titles.
2. Practice your Math Facts using flashcards or Math Magician every day.
3. Completing all 11 writing logs using your creative imagination.

If all these items are completed and returned on the first day of school, you will have a special reward waiting for you.

We hope you have a wonderful summer, but remember to keep learning so you are ready for the fast racing in 1<sup>st</sup> grade.

Sincerely,

The 1<sup>st</sup> Grade Teachers
